PRECONTRACT APPROVAL RECORD
(PART TWO)

CONTRACT
EO-1926-65

25X1A

The services and equipment being procured by this Contract No. EO-1926-65 are in furtherance of the

Program(s), the nature of which cannot be publicly disclosed for security reasons. The Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC 2122, signed by the DDCI on 15 October 1961.

Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated:

25X1A

Fixed Price Redeterminable Contract in the amount of with Itek Corporation for Multi-Sensor study which is being performed for the Navy.

25X1A

25X1A

According to both the and Itek the Company has spent a considerable amount of money in this study and the felt that they would like to participate so that they could contribute to the advance study of the art of tactical reconnaissance.

FPR Contract was negotiated because all parties were unsure of the cost of the study at the initiation of the contract.
